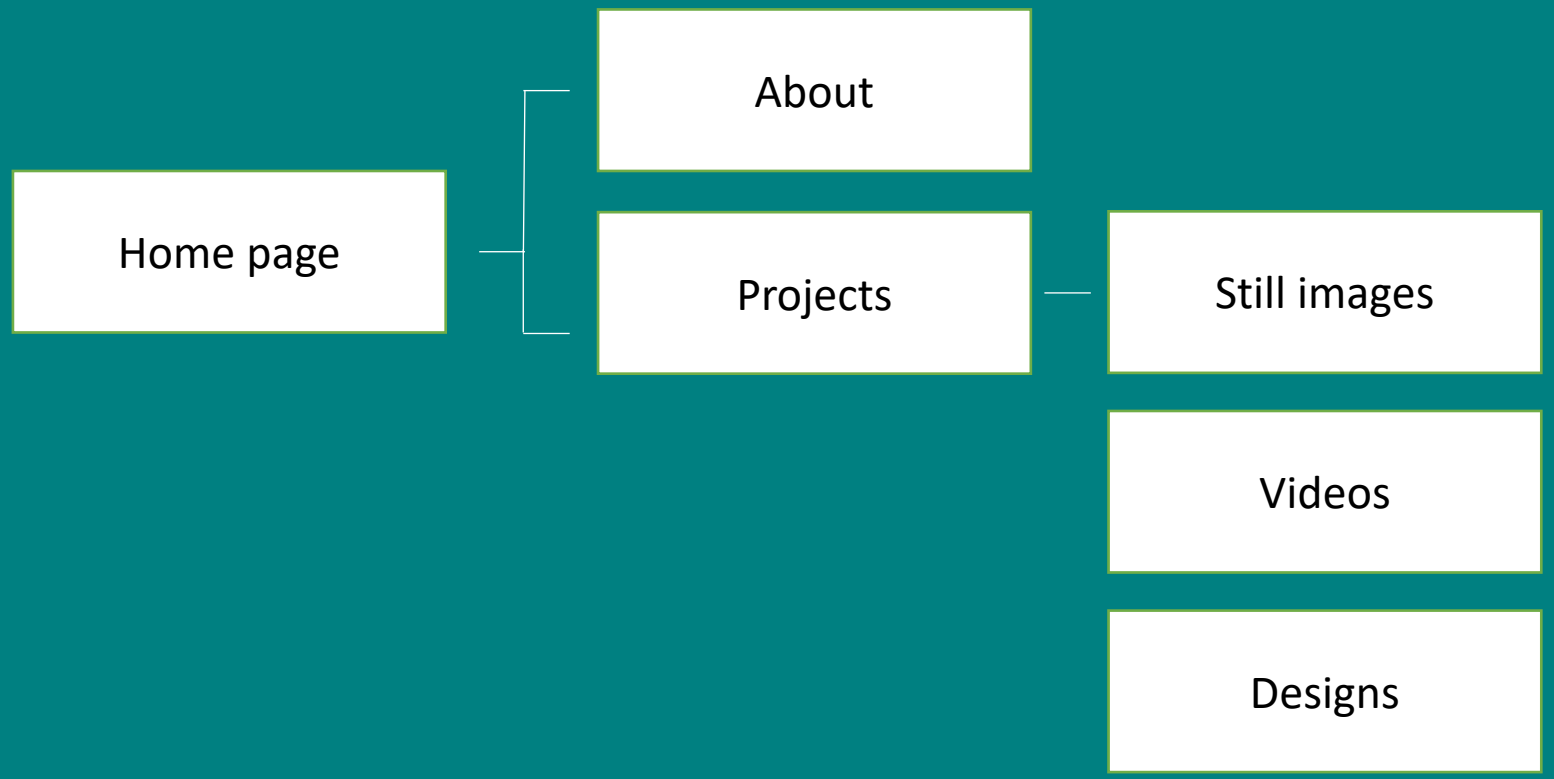
# Midterm Proposal

Abrar Almari

# Concept and Site theme

- My concept for this midterm is a personal portfolio website. I plan on showcasing previous work from different classes as well as some added personality into the site design.

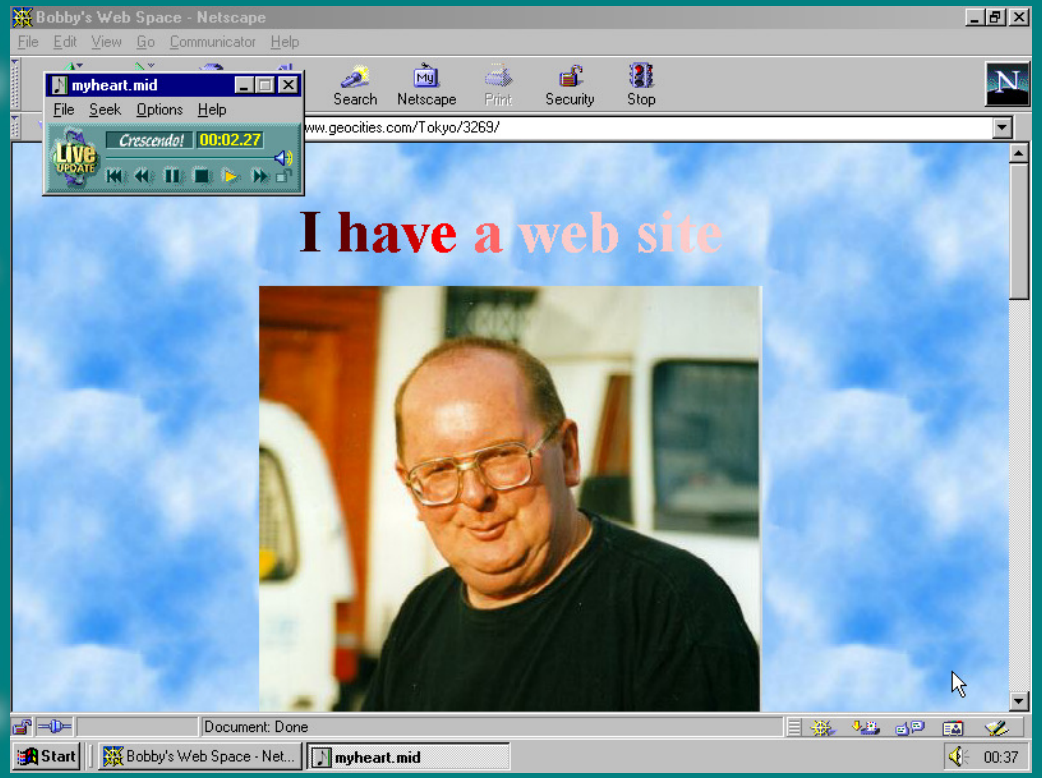
# Site map



# Wireframe

# Inspiration

- early internet styles, nostalgic web diaries: neocities,



# Pinterest board

# Skills

- Skills that will be used:
  - Inserting images and using alt text
  - Nav links
  - Html forms: margins, paddings, flex boxes
  - Css and Semantic markups
- Skills needed:
  - How to include more stylistic elements similar to my inspiration
  - Homepage: how to have posts appear by most recent
  - Projects page: how to have the posts appear chronologically (when first created)
